

Dear Parents,

I hope your summer vacation has started with rest and relaxation. The students worked diligently to learn new lessons and complete all assignments. I would like them to brush up on their math skills during the summer months. I have assigned the Go Math Standards Practice Book for home or school as the summer assignment. The students have this book with them at home. Please help them to complete this book at home over a course of two and a half months in order to brush upon the skills that they have learned during the year.

Good luck and Have a great summer !

Mrs.Suja
